

Get a Head Start on a Gorgeous Garden with Plants from PA Sinfonia

Many of our listener/gardeners look forward to this time of year. So does the Sinfonia staff! We are happy to offer our annual sale of bedding plants and hanging baskets, ready to give your garden a head start at the perfect time.

Customers come back year after year for the healthy stock, in bud and bloom, from respected local grower **Hickory Grove Greenhouses**. The beautiful, colorful plants are well-suited for this growing zone.

This is an important fundraiser for Sinfonia. The prices are the same as retail. If you're going to buy flowers anyway, please support us at the same time and be assured of quality stock. Treat yourself to something that will brighten your surroundings all summer. No shopping required. **Place your order** using the form below **by Tuesday, April 24**.

Plants will be ready for you to **pick up on Saturday, May 5**. **New residential West End Allentown location: 2826 Crest Ave. North**. Just off Hamilton near Cedar Crest College. No lines, no wheeled carts! We'll load your vehicle for you.

Pick-up hours: 9 a.m. - noon. (If you are not available that day or during those hours, call 610 434-7811 in advance and we'll gladly make alternate arrangements.)

WE TAKE SPECIAL REQUESTS: To keep the order form simple, we list only some of the most popular colors of bedding plants. However, **additional colors** are available in many of the varieties. If you are interested in a color or a plant you don't see listed, please call or e-mail and ask about availability. We will happily honor special requests where we can.
