

# Flowers Are Back, Better Than Ever! Get Them from PA Sinfonia

Yes, it's time! Sinfonia is holding its very popular Spring Plant Sale again. Everything you love about the sale is the same--healthy plants, convenience, fair prices, perfect timing. We think you'll appreciate one thing that's new. The annual bedding plants, rather than coming in 4-packs with 48 plants per flat, will be in larger 6-packs, with 36 plants per flat. The folks at **Hickory Grove Greenhouses** assure us that although there are fewer plants per flat, it's a "huge difference in size and quality." Our customers have trusted this respected local grower for years. Order with confidence.

This is an important fundraiser for Sinfonia. The prices are the same as retail. If you're going to buy flowers anyway, please support us at the same time and be assured of quality stock. Treat yourself to something beautiful that will brighten your surroundings all summer. No shopping required.

**Place your order** using the form below **by Tuesday, April 23**. Plants will be ready for **pick up on Saturday, May 4**. Residential West End Allentown location: **2826 Crest Ave. North**. Just off Hamilton near Cedar Crest College. No lines, no wheeled carts! We'll load your vehicle for you.

**Pick-up hours: 9 a.m. - noon**. (If you are not available that day or during those hours, call 610 434-7811 in advance and we'll gladly make alternate arrangements.)

**WE TAKE SPECIAL REQUESTS:** To keep the order form simple, we list only some of the most popular colors of bedding plants. However, **additional colors** are available in many of the varieties. If you are interested in a color or a plant you don't see listed, please call or e-mail and ask about availability. We will happily honor special requests where we can. Must purchase whole flats of special orders.
